# Let's Talk about Financial Aid

# What is...Financial Aid?

- Financial aid provides funds to students and families to help pay for college expenses
- Financial Aid ensures a consistent and equitable evaluation of a family's financial circumstances.

# What is...Financial Need?

- Financial need is the difference between educational expenses and the amount the student and family are expected to pay.
- Understanding the **Cost of Attendance (COA)**.
- Understanding your **Expected Family Contribution (EFC)**.

**NOTE:** The cost of attendance is different at each school, but the EFC remains the same.

# What Is Included In the Cost of Attendance (COA)?

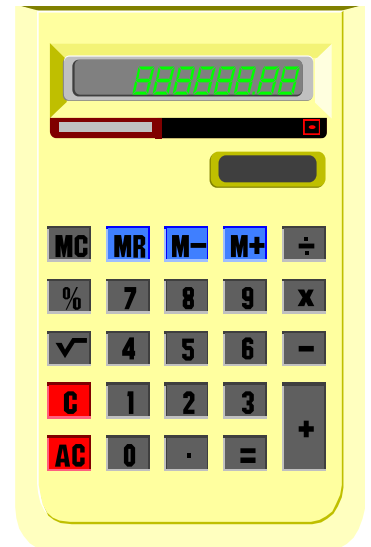

- Tuition and Fees
- Books and Supplies
- Room and Board
- Miscellaneous Expenses
  - (Transportation, Personal, etc.)
  - Direct vs. Indirect costs?
  - The COA is NOT your actual bill!

# The Equation For Determining Financial Need Is:

$$\text{COA} - \text{EFC} = \text{FINANCIAL NEED}$$

| Sample<br>College/University | COA      | EFC      | Financial<br>Need |
|------------------------------|----------|----------|-------------------|
| Technical                    | \$ 5,000 | -\$5,000 | = \$ -            |
| Public                       | \$10,000 | -\$5,000 | = \$5,000         |
| Private                      | \$15,000 | -\$5,000 | = \$10,000        |

# Financial Aid Includes

## ■ Gift Aid

- Merit Based
  - Scholarships
  - Grants
- Need Based
  - Scholarships
  - Grants

## ■ Self-help

- Employment
- Loans

# Please Remember

## ■ Scholarships
